

# Lakeside News!

Nursery

Autumn 1

## Message from the class teachers:

Welcome to Lakeside nursery! We hope you have had a wonderful summer and are ready to learn lots of fantastic things this year! We are looking forward to our first half term by immersing ourselves in our ASPIRE curriculum topic, 'Nursery Rhymes'!

## An overview of learning this half term

*This half-term the children will be learning 6 new nursery rhymes. We will be acting these out and having props to support us whilst having a sing song. The children will learn where everything lives in their new class, meet new friends and will be working hard on their personal, social and emotional development. The children will enjoy having daily phonics sessions, starting with phase 1, they will have maths sessions and physical development sessions which will support them with their early writing skills. The children will go outside on 'weather walks' and explore the changes in weather and seasons.*
