

## Subject Overview: Science

Year Group	Autumn		Spring		Summer	
Year 1	<b>Our Body</b>  Biology	<b>Naming and comparing materials</b>  Chemistry	<b>Grouping Animals</b>  Biology	<b>Carnivores, Herbivores, omnivores</b>  Biology	<b>Plants</b>  Biology	<b>Seasonal Changes</b>  Physics
Year 2	<b>Living things and their habitats (food chains)</b>  Biology	<b>Healthy Lifestyle</b>  Biology	<b>Grouping and changing materials</b>  Chemistry	<b>Growing and changing animals</b>  Biology	<b>Habitats</b>  Biology	<b>How plants grow</b>  Biology
Year 3	<b>Forces and magnets</b>  Physics	<b>Light and Shadows</b>  Physics	<b>Rocks and Soils</b>  Chemistry	<b>Life cycle of a plant</b>  Biology	<b>Skeletons, muscles and movement</b>  Biology	<b>Nutrition and diet</b>  Biology
Year 4	<b>States of Matter</b>  Chemistry	<b>Sound</b>  Physics	<b>Heating and Cooling</b>  Chemistry	<b>Teeth &amp; Digestion</b>  Biology	<b>Living things and their habitats</b>  Biology	<b>Electricity</b>  Physics
Year 5	<b>Forces</b>  Physics	<b>Earth and Space</b>  Physics	<b>Properties and changes of materials including solids, liquids and gases</b>  Chemistry		<b>Plant and Animal life cycles</b>  Biology	
Year 6	<b>Electricity</b>  Physics	<b>Evolution and Inheritance</b>  Biology	<b>Living things and their habitats</b>  Biology	<b>Light</b>  Physics	<b>Animals including humans</b>  Biology
